Dan, see below.

Did you hear from Herb Smith. Dawn was trying to get the woman and her kids into a program at the Midnight Mission and it did not come through.

See below.

She is still there. As well as another single lady. Not sure who else is there. I feel so bad because now i have to tell Qiana that i wasn't able to get her in this program an now she is homeless. They are only giving her till July 1st

Dawn, this is not your problem; Herb Smith assured Dan Haldan and I that no one would be left homeless – and certainly not a family.

He needs to call upon all his partners to get her placed.

Dan Haldan sent him an email on Friday asking for a progress report. I'll see if Dan got any response back. Is she still at the apartment? How many people are still there?

Hi Dawn/Angela,

After reviewing the referrals received, I'm sorry to say that we have to choose another family that is a better fit for the vacancy that we have.

Sorry again,

Ricardo

Thanks for asking. As of today all but 2 single men and 2 single women and the family have firm transition plans. Those remaining have some challenges with background or special needs but we are confident we can get them housed by our July 3 deadline. I checked on how many were employed in Hollywood and it seems 3 or 4 at most are employed there. Actually fewer than I would have guessed. Again your support is appreciated as we achieve the outcome of permanent affordable housing and individual empowerment. Also, as a community we address the issue of housing for all those in need. Please continue to reach out as desired. I will let you know when all have been housed. Thanks!
